### Apple Sayings and Rhymes

Here's a selection to get you going!

If it's a good year for apples, it's a great year for twins

The fairest apple hangs on the highest bough

Apples are sweet when they are plucked in the gardener's absence

The apples on the other side of the wall are the sweetest

The apple never falls far from the tree

One bad apple can spoil the whole barrel

Like an apple to an oyster

September blow soft 'til the fruits in the loft

An apple pie without some cheese is like a kiss without a squeeze

Don't upset the apple cart

All in apple pie order

An apple may be fair without and bad within

The apple of my eye

'Til St. Swithin's day be past - the apples be not fit to taste

Fruit out of season sounds out of reason

An apple a day keeps the doctor away
